WHO WE ARE

We, PRARA/ AVANTI LEATHER GROUP , with over 40 years of experience in leather manufacturing, we as a company began Finished Leather business in 2013 with a passion for leather manufacturing with a solid and controllable base of raw materials which makes us world class Finished leather makers with an Italian aroma. We are a TOP QUALITY SMALL SKIN MANUFACTURERS (Suede and Grain leather) providing sustainable ecology to future generations with our strong technical capabilities. In addition we added our line to Indian Buff line.

We integrate environmental and social principles in our businesses, ensuring that what comes from nature goes back to nature and people.

OUR VISION

To be the top quality producer of High fashion, environment friendly and sustainable Finished leather from our world Class manufacturing facilities. We will continue to be Value creators to our customers worldwide.

And to be globally number #1 Finished leather manufactures from India in small skins (Goat & Sheep) by 2025 and leading value provider in Buff articles to Key brands.

OUR MISSION

To be the most sustainable and reliable partners of the fashion leather industry taking the environment as a major factor. Lead developers and front runners in Eco friendly and Biodegradable leathers with our Responsibility to environment.

And catering to premium brands and consumers as a milestone in to our business that delivers value through Integrity in Business and Excellence in products and services.

"To be a responsible value creator for all our stakeholders".
